EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen J. Rosenman on September 8, 2004.

The application has been amended as follows:

IN THE CLAIMS:

42. (amended) An isolated recombinant human adenine nucleotide translocator (ANT) polypeptide comprising the amino acid sequence of a human ANT3 polypeptide set forth in SEQ ID NO:33, ~~that is capable of binding~~ binds an ANT ligand and that is produced by a method comprising culturing a host cell comprising a recombinant expression construct comprising at least one regulated promoter operable linked to a nucleic acid encoding the adenine nucleotide translocator polypeptide.

51. (amended) An isolated human adenine nucleotide translocator (ANT) fusion protein comprising an ANT polypeptide fused to at least one additional polypeptide sequence cleavable by a protease that separates the ANT polypeptide from the remainder of the fusion protein, wherein said ANT polypeptide ~~being capable of~~

~~binding~~ binds an ANT ligand, and wherein the ANT polypeptide comprises the amino acid sequence of a human ANT1 polypeptide set forth in SEQ ID NO:33.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest an isolated adenine nucleotide translocator having the sequence of SEQ ID NO:33 or an ANT fusion protein wherein the ANT polypeptide has the sequence of SEQ ID NO:33 and binds an ANT ligand. Thus, claims 42, 44-52, and 56-57 appear to be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
